Ground Broken Yesterday For the New Home in Wall Street

Ground was broken for the new Methodist Parsonage in Wall street yesterday with ceremonies appropriate to the occasion.

With a new shovel provided for the occasion by Contractor I. M. Lane, Miss May Harrop, daughter of the Pastor, Rev. F. W. Harrop, threw the first shovel full of dirt, after which, Miss Minnie Belle Powell, Mrs. Harrop, I. M. Lane and Rev. Harrop, in order, each threw a shovel of dirt.

Rev. Harrop then invoked the Divine blessing on the enterprise just begun.

The plow was then started and the work of building a new Parsonage was on in real earnest. The work will be pushed speedily from now on.

The new Parsonage when completed will be one of the handsomest, most modern and up-to-date in every respect in the Kentucky Conference, and will reflect great credit on the faithful Pastor and loyal congregation of the Third Street Methodist Church.

## DON'T EXPERIMENT

You Will Make No Mistake if You Follow This Advice

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in this vicinity.

Can Maysville residents demand further proof than that contained in the following testimonials?

Mrs. Mary C. Evans, Vanceburg, Ky., says: "I had troubles by disordered kidneys for fifteen years. My back was very lame and I suffered from a great many other symptoms of kidney trouble. Doan's Kidney Pills helped me more than anything I had previously used and I am therefore pleased to recommend this medicine to other sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## Avoid Harsh Drugs

Many Cathartics Tend to Cause Injury to the Bowels

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

I honestly believe that I have the best constipation treatment ever devised. My faith in it is so strong that I sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexal Orderlies. These are prompt, soothing and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless and colorless. Combined with other well known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without any of their causing any inconvenience whatever. They do not gripe, purge or cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons and aged people as well as for the most hearty person.

They come in two size packages, 12 tablets 10 cents, 36 tablets 25 cents. Remember you can obtain them only at my store—The Rexal Store. Thos. J. Chenoweth.

## Danderine

Grows Hair and we can PROVE IT!

DANDERINE is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling brilliancy and velvety softness to the hair, and a few weeks' use will cause new hair to sprout all over the scalp. Use it every day for a short time, after which two or three times a week will be sufficient to complete whatever growth you desire.

A lady from St. Paul writes in substance, as follows:  
"When I began using Danderine my hair would not come to my shoulders and now it is away below my hips."  
Another from Newark, N. J., writes:  
"I have been using Danderine regularly. When first started to use it I had very little hair, now I have the most beautiful long and thick hair anyone would want to have."

NOW at all druggists in three sizes 25c, 50c and \$1.00 per bottle

Danderine enjoys a greater sale than any other hair preparation, regardless of kind or brand, and it has a much greater sale than all of the other hair preparations in the world combined.

## LINEN JUDGMENT.

Judge a drygoods store by its linen stock. We welcome this kind of judgment. We have carefully studied the linen market for ten months in preparation for this sale. We make the statement advisedly that no such assortment of linens and no such values in linens were ever seen in Maysville before. Here is some linen evidence which speaks for itself:

### Table Linens.

- FOR 98c**—Naturally a good Table Damask is expected at this price, but none of such goodness and beauty as this handsome snow-white Satin Damask. Twelve exquisite patterns, seventy-two inches wide.
- FOR 50c**—A small price to pay for all-linen Damask. One instantly thinks of thin quality and narrow width, but we show a substantial Damask, within an inch of being two yards wide; good, solid, heavy. Unusual values also at 75c, \$1.19, \$1 1/4 up to \$4 yard.

### Napkins.

A half dozen items must hint of a half hundred. For \$1.69 a dozen grass-bleached, German drill Napkins, twenty-two inches square—the sort that gives years of service. Dew-bleached Napkins, twenty-two inches square, a quality that will make friends and buyers at once; \$1.39 a dozen instead of \$1.75. 98c a dozen, heavy, well made bleached double damask Napkins from Ireland, with plenty of patterns you will like, twenty-two inches square. They're the kind you'd expect to pay \$1.50 for.

### Police Court.

Henry Howard, alias Virginia Slim, brought here Monday from Huntington, W. Va., by Chief of Police H. A. Ort, was arraigned before Judge Whitaker yesterday afternoon in an examining trial on a charge of robbery. The offense was that of breaking and entering a freight car in the West End C. and O. Yards, and was committed in November, 1906. The prisoner was represented by Attorney W. M. Meredith of Huntington and the Commonwealth by City Attorney James M. Collins. Considerable testimony was heard and a great deal of sparring by Attorneys, all ending in Judge Whitaker holding Howard to the Circuit Court in the sum of \$750, and in default was committed to Jail.  
Bernard Rogers, charged with breach of peace, demanded a Jury trial, which was his right and privilege, and he got it. Rogers was represented by Attorney F. P. O'Donnell, and James M. Collins was prosecutor. Rogers being clearly in the wrong, and the Jury taking that view of case, brought in a verdict of \$20 and costs, with a Jail sentence of 60 days tacked on. All of which will keep Rogers in Jail for 81 days, less time for good behavior.

Ex-Sheriff James Mackey left for Frankfort this morning to make his final settlement with the State and receive his quietus. He will also attend the unveiling of the monument of the late William Goebel, the tenth anniversary of his death, which takes place today.

The Constant Wearing of a Hat Propagates Dandruff Germs.

There are many men who wear their hats practically all the time when awake, and are blessed with a heavy shock of hair; yet if the scalps of these same men once become infested with dandruff germs, the parasites would multiply all the quicker for lack of air. Baldness would ensue as the final result. Newbro's Herpicide kills these germs and stimulates unhealthy hair to abundant growth. Herpicide is a pleasant hair dressing as well as a dandruff cure and contains not an atom of injurious substance. Sold by leading druggists. ## A GREAT SENSATION AT FORT WAYNE, IND.

### Wonderful Discovery Has Become Talk of the Whole Country

This copy from The Fort Wayne Journal-Gazette shows what Root Juice is doing to the city in which it is made: "Sensation upon sensation follows in rapid succession in Fort Wayne these days. This is the home of Root Juice and it has done so many wonderful things here that it has become the talk of the whole country. The reporter in one evening counted fifty-six people who said they were cured of some chronic ailment by the use of the discovery, and many of them were people whose word could not be doubted. Some of the cures seemed like a miracle. Mrs. E. G. Moore of 612 Webster street has suffered for several years with intense stomach and kidney troubles. During her illness she was treated by a number of doctors and used many kinds of medicine, but it all failed to give more than momentary relief. Although Mrs. Moore had almost given up hope she was persuaded by her friends to try the Root Juice treatment. After using three bottles of the juice she gained sixteen pounds and is able to do her housework and care for her children. The lady is well liked in her neighborhood and the wonderful cure has caused a great deal of talk. Mr. H. R. Beck of 447 Superior street told the reporter that he would not take a thousand dollars for what Root Juice did for him, as it had completely cured him of a kidney and rheumatic trouble of long standing. Mr. A. R. Hoyle of 502 LaSalle street (an old and highly respected citizen) said: "I was completely cured of a chronic trouble of the stomach and kidneys with four bottles of Root Juice and two bottles of the liniment that is used with it. I took the juice three times a day and rubbed my back and swollen limbs every night and morning with the liniment. Mr. Chris Hostman of 1314 West Jefferson street, after using the remarkable remedy a short while, was cured of a bad case of indigestion and rheumatism. It would take a whole newspaper to tell of the many cures the wonderful medicine has made in Fort Wayne." The people of Maysville will soon have a chance to see for themselves, as the demonstrations will be conducted in J. Jas. Wood & Son's Drugstore next Saturday.

## RETIRED BUSINESS MAN IS IN FAVOR OF NEW THEORY

One of the most interesting statements made recently concerning the much discussed Cooper theory, that has spread over the country during the past year, is made by E. H. Lambert, a retired business man, whose home is at 115 Francis street, Everett, Mass.

Mr. Lambert has this to say in connection with Cooper and his medicines: "Some time ago I read an article about this man Cooper, in which he claimed that stomach trouble was directly responsible for most ill health. He went on to say that, although his medicine did nothing but set the stomach in sound condition, it would, in many cases, remove kidney and liver trouble and various other ailments. He argued from this that the stomach was the main cause of sickness, and stated that the success he has had with his medicines was due entirely to this fact.

"I am now fully convinced that this theory is correct, and believe Cooper has a really remarkable medicine, judging from my own experience.

"I have been a sick man for five years. Three years ago I was told by a physician that I had Bright's disease of the kidneys. I have treated constantly for this trouble since, without results. After reading the article I have mentioned, I purchased some of this man Cooper's medicine. I have been astounded by what it has done for me. I was relieved to some extent within 24 hours. Today my health is better than for five years, and so far as I can tell, my kidney trouble has disappeared.

"My wife, who had stomach trouble for some time, tried the preparation after noting its action in my case, and her improvement is fully as marked as mine. She now eats heartily three times a day without any distress whatever. Her nervousness has also left her. I certainly believe this man's success is fully justified, as he undoubtedly has a wonderful medicine."

I will gladly describe the remarkable record made by the Cooper medicines to all who wish to know of them.—Thos. J. Chenoweth

## Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why isn't it so?

The general health of woman is so intimately associated with the local health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No alcohol, or habit-forming drugs is contained in "Favorite Prescription."

Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.
